**Areas of leadership and interest-congregation:** I am currently serving my 2nd term on Synod Council. I currently serve on the Executive Committee and previously served on the Finance Committee. As a member of Freedom Lutheran Church, I served on the Leadership Team from the beginning of Freedom as a SAWC and served continually for 8 years. I served two years as the Chairperson. This is a volunteer position where I am appointed by the court to be an advocate for abused and neglected children while their case is in the court system.

I am passionate about the work of the Synod and would like to continue to serve in a broader capacity.

**My priorities for this ministry:** I feel that the church needs to do more than say that we welcome all. We need to be physical examples of loving your neighbor. I would like to put together a program that gives congregations concrete tools to put them into their communities strengthening relationships and in turn growing the congregation.

Another priority is creating more inclusive congregations and helping them to understand what it means to be all-inclusive and actually putting that into practice.

**Faith statement:** My faith statement is simple. My faith statement is based on 1 John 3:18: "Dear children let us not love with words or speech but in action and truth." I strive to be a physical example of God's love for ALL people.

## **MINISTER OF WORD AND SACRAMENT Female Nominees for Synod Council Vote for 1 (3-year term)**

5A - The Rev. Janet Wold

5B - The Rev. Pam Marolla

### **5A - The Rev. Janet Wold - All Saints, Byron - Central Conference**

**Occupation:** Pastor

**Age:** 30 years of age or older

**Race and Ethnic Origin:** Caucasian

**Areas of leadership and interest-congregation:** I've been an ordained pastor for 31 years. For most of those years, I've served as a solo pastor. I've always had a particular interest in outreach and hospitality, believing a welcoming community is one that will invite people to learn more about Christ.

**Areas of leadership and interest-community:** I am currently serving on the Synod Council and the Synod Finance Committee, previously serving on the Executive Committee. Additionally, I serve as a co-leader (with Bishop Clements) for the first year of "First Call Theological Education" for the newly ordained/consecrated leaders of our synod. I am also on the board of Katie's Cup Coffee bar and have volunteered as a hospice chaplain with Serenity Hospice.

**Reason I wish to serve:** When I was a voting member or visitor at various Churchwide Assemblies, I was reminded again and again of the powerful work our church does throughout the world. Being a part of our Synod Council has allowed me to be a part of the larger church...local parishes are vital, but congregations working together can accomplish some exciting things! I bring to the table leadership skills, a passion for the church, an ability to appreciate diverse opinions and a willingness to work together to achieve the task at hand.

**My priorities for this ministry:** I want to see the Synod continue its strong relationship with our world-wide partners. I also appreciate, as a parish pastor, the commitment our Synod has to providing support to our congregations - through the Congregational Resourcing Event, Professional Leadership Conference and the staff of the synod office itself and would want that support to continue.

**Faith statement:** In the gospel of John we hear the promise that "In the beginning was the Word and the Word was with God, and the Word was God." This assurance that God was, is and always will be there to forgive us, love us and challenge us brings me great comfort and hope.

### **5B - The Rev. Pam Marolla - First, Galesburg - Southwest Conference**

**Occupation:** Pastor

**Age:** 30 years of age or older

**Race and Ethnic Origin:** Caucasian

**Areas of leadership and interest-congregation:** I have been serving the church since I was a 15-year old organist. I am in my fourth year of a doctoral program in Congregational Leadership and Mission. I believe our call is to discern what and where God is leading us. I love discerning with others, what God's mission is for us in this time and place. Full inclusion and community outreach are high priorities. I believe our synod needs to be dealing with situations that require adaptive change rather than technical. We cannot move into the future better by trying harder at doing the past.

**Areas of leadership and interest-community:** Our congregation has become Reconciling in Christ, is reaching young adults, the hungry and homeless in our community. Our congregation is continually learning that if we are looking to serve Jesus in "the least of these" (Mt. 25) God provides what is necessary. In our community, I am involved in ecumenical and interfaith conversations. I am also very involved in community music and theater, subbing with the Knox Galesburg Symphony and singing in the Galesburg Community Chorus.

**Reason I wish to serve:** I have been serving First Lutheran in Galesburg since 2012. I have a heart for sharing the gospel and a love for the church. My areas of strengths are in strategy, development, empathy, and the ability to contextualize. All of these are grounded in gratitude for the grace, mercy and love of God made known to us in the life, death, and resurrection of Jesus. I believe my experience and passion would be a good addition to the Synod Council.

**My priorities for this ministry:** Listen, learn, discern. What are the most important ways to be churches and synod in a connected way in Northern Illinois? What gifts do we all bring to the table? How might we use them to glorify God?

**Faith statement:** God is love, intimate and infinite. We are called by Jesus to love and serve God and neighbor as Jesus did. The Spirit of God provides not only what we need to love and serve, and calls together the community and provides the faith, joy and courage to continue. "There is no fear in love, but perfect love casts out fear." (1 Jn. 4:18).

"God's grace is sufficient for you for [God's] power is made perfect in weakness." (2 Cor 12:9). "May I never boast in anything except in the cross of our Lord Jesus Christ, by which the world has been crucified to me and I to the world." (Gal 6:14).

## **MINISTER OF WORD AND SACRAMENT Male Nominees for Synod Council** **Vote for 1 (3-year term)**

6A - The Rev. John Cunningham

6B - The Rev. Scott Ralston

6C - The Rev. Robert Franek

### **6A - The Rev. John Cunningham - Bethany, Crystal Lake - Northeast Conference**

**Occupation:** Retired pastor

**Age:** 30 years of age or older

**Race and Ethnic Origin:** Caucasian

**Areas of leadership and interest-congregation:** As a congregational pastor I enjoyed the variety of ministries among people of various ages; building a perspective that's Biblical and global; meaningful worship for all ages; confirmation/confirmation camp (led by the pastors involved); synod youth ministry and Leadership Lab; ways to support outreach beyond the congregation. Two of the congregations I served were involved in direct sponsorship of refugees (from Viet Nam and from Poland).

**Areas of leadership and interest-community:** Ecumenism—I've been involved in ecumenical VBS, Week of Prayer for Christian Unity and Thanksgiving worship, and ongoing pastoral groups. Interfaith—community food pantries, educational events, clergy group.

**Reason I wish to serve:** I was asked to consider it, and as a retired pastor I hope my knowledge and experiences in a variety of ministry areas within congregational settings and wider contexts can be helpful.

**My priorities for this ministry:** Help the synod be a catalyst and resource to strengthen connections among the contexts of congregation/synod/institutions/ ELCA/ ecumenical/interfaith, and local/community/global, in order to support faithful and effective ministry in these contexts. Help people relate to one another and to the natural world in caring and hopeful ways.

**Faith statement:** Trust in God's love and creativity empowers me to respond to Jesus' call to love God, care for God's world, and serve others in whatever ways I can, together with others, and invite others to join in. Faith in God gives me joy and hope, and provides meaning in all kinds of situations.

## **6B - The Rev. Scott Ralston - Faith, Forreton - Central Conference**

As Pastor at Faith Lutheran, Forreton: Council Member, Choir Member, Worship Committee, EvangeVision Committee, Praise Leader, Confirmation Leader, Youth Group Co-Leader, Drama Actor and Writer, Bible Studies Leader and Co-Leader.

**Areas of leadership and interest-community:** President of the Forreton Area Council of Churches- we work with our local churches to develop and put on community services throughout the year. Mentor/Tutor at Forreton Elementary School - work with students 3rd to 5th grade with school work, learning practices, and positive role-modeling.

Chair of the Creation Care Committee (a Social Ministry subcommittee) for NI Synod- we develop educational material, host and lead workshops, and we work to drive better stewardship of God's amazing creation.

**Reason I wish to serve:** Simply put, I feel like this is the place where I can do the most good.

**My priorities for this ministry:** My hope is to bring new ideas and passion to the discussion, to lift up the good work being done and to help make change where it is needed.

**Faith statement:** I love God's word in all the ways we encounter it. One message that is foundational in my life is found in Jesus's words the night of the last supper. Jesus says, in John 13:34, "I give you a new commandment, that you love one another. Just as I have loved you, you also should love one another." I believe our awesome Triune God saw us in our sin and brokenness, and in grace and love too amazing and deep to truly know, sent His Son Jesus Christ to teach, live, and die for us. In love, Christ took our sin unto himself so that we would be set free, and died, a perfect sacrifice, so that we would be forgiven. Christ rose again on the third day to unite us to God forever, and we are forever united through His death and resurrection. In love God, sent the Holy Spirit to guide us, inhabit us, and walk with us all of our days. And beloved, I believe, we are called by God in Christ, to love as He loves us! So, love one another, forever wrapped, and forever wrapping each other, in the loving arms of God.

## **6C - The Rev. Robert Franek - Emmanuel, Rockford - North Conference**

**Occupation:** Pastor

**Age:** 30 years of age or older

**Race and Ethnic Origin:** Caucasian

**Areas of leadership and interest-congregation:** I am particularly focused on leadership in the areas of liturgical renewal and worship, adult education, intersectional justice and addressing systemic and structural justice issues through awareness and advocacy related to public policy. I am also particularly interested in connecting congregations to the ministry of the whole church through synod and churchwide ministries as well as in having conversations on congregational vitality and fostering partnerships to do ministry better together.

**Areas of leadership and interest-community:** In the recent past I have been involved in interfaith conversations, events, and public writing. Currently, in a new context I am involved in planning and fostering neighborhood asset recognition and visioning for the future as neighborhood

stakeholders are brought together for common conversation and the development of partnerships through periodic neighborhood summits.

**Reason I wish to serve:** I resonate well with much of the culture of the Northern Illinois Synod and the values we share for being church together. I am eager to bring my particular gifts and passions for sharing the good news of Jesus Christ to bear on governing and guiding the NIS as we live into God's future together discerning the next new thing the Spirit is doing in our life together. I have a deep love for Christ's church and temperament well suited for board leadership. I hope to contribute a unique perspective that generates greater curiosity, new insights, and the asking of better questions.

Having been appointed to serve on synod council for the past year to fill a vacancy has shown me that this is an area where my gifts are well suited to serve the whole church. I deeply care about the work we do and our life together in Christ. I listen well to others and have the confidence and trust of many colleagues and so can bring a variety of perspectives and voices to bear on the work the council does.

**My priorities for this ministry:** In these challenging times I think it is important to hear and address the anxiety that most congregations are facing especially regarding declining membership and money to support buildings, staff, and ministry. I think it is imperative to provide synodical support to congregations and rostered ministers as they face these challenges together. It is also vital to be open to new models of ministry and listen together where God is calling us to be. It is also a priority of mine to support what is going well in our congregations and build on and strengthen them.

Additionally, it is important for our synod to have ongoing conversations on the topic of racial justice and various kinds of privilege that make us unaware of the needs of our neighbors.

**Faith statement:** Christ has died. Christ is risen. Christ will come again.

I am grounded in a neighbor-love ethic that prioritizes the oppressed and vulnerable which flows from the font of God's love and grace that has made me a member of Christ's body and called me to work for justice and peace in all the earth.

**Areas of leadership and interest-congregation:** Global mission, building bridges of friendship and respect, is something that I have a passion for and care deeply about. Our church is a global church and I look forward to bringing awareness to our congregations and creating opportunities for relationships to flourish between our Global partners in India and Africa.

**My priorities for this ministry:** To engage with our global companions in dialogue and relationships building in order to create opportunities for the Northern Illinois Synod to support these global churches whom we are in partnership with.

**Faith statement:** As a baptized child of God, I am called through Christ's love to care for and to serve my neighbor, in my community and within the larger world. I believe that I am called to proclaim to all people the depth of God's love and the gift of God's reconciliation that is given to all of creation. I feel called to love, laugh with and struggle through all of life's up and downs with all people. I am a beloved Child of God, and because of this I feel a great sense of calling to proclaim to the world that they too are loved and cherished by their creator. Trusting in my call I believe that the gifts I bring to ministry are ones of inclusion, comfort and the Word

**Occupation:** Pastor

**Age:** under 30 years of age

**Race and Ethnic Origin:** Caucasian

**Areas of leadership and interest-congregation:** Serve as Pastor of Augustana Lutheran Church, Andover.

**Areas of leadership and interest-community:** As a person fairly new to the area and the synod, I have begun to serve as an informal member of the Global Mission committee, I was part of the Synod's 2018 visit to the Arcot Lutheran Church in India, and I have worked to establish a companion parish relationship between Augustana Lutheran Church and Transfiguration Church, Puducherry, one of the congregations of the Arcot Lutheran Church. I also am serving as the interim dean of the West Conference.

**Reason I wish to serve:** I was approached last year by the synod to join the Global Missions Committee as an informal member. This year I was invited to stand to be elected as a full member of the committee. I agreed, because I wish to be an active participant the synod's ministry of helping those in need around the world.

**My priorities for this ministry:** My priority is to help our global companion synods and to be part of an open discussion on the best way the Northern Illinois Synod can serve the world.

**Faith statement:** I believe, as a response to the free grace of Jesus Christ bestowed in me through baptism, I am called to love and serve God and neighbor.

**Vote for 1 (3-year term)**

14A - Ms. Deanna Swanson

14B - NO NOMINEE

#### **14A - Ms. Deanna Swanson - Augustana, Andover - West Conference**

**Occupation:**

**Age:** 30 years of age or older

**Race and Ethnic Origin:** Caucasian

**Areas of leadership and interest-congregation:** Choir director, musician, secretary, Lector, Communion Assistant, Worship Leader, Worship Committee, Stewardship Committee

**Areas of leadership and interest-community:** Musician for weddings, funerals and other community events, musician for Jenny Lind Summer Vesper services, assist in the planning and assist in leading Ecumenical Services

**Reason I wish to serve:** I believe it is important that those called to ministry, both lay and professional personnel, know they have support of others in the synod. I understand this responsibility as contributing to the ministry of the church.

**My priorities for this ministry:** Support through prayer and being faithful to tasks and responsibilities

**Faith statement:** I am fortunate to have realized my faith in Christ at a very early age, being taught by my parents to look to Christ for my salvation and to Him alone. As a result of my upbringing, memories of my faith are among my earliest; I can remember no marked conversion, though I have certainly seen renewal of faith. I claim today nothing but Christ's righteousness as foundation and His blood as security for my salvation. My faith is the result of God's gracious gift and arises from no inherent goodness or cleverness of my own. I live only, therefore, by the grace of the one true, sovereign and merciful God, whom I rejoice to call my Father.

I believe that the Bible is the inerrant, inspired Word of God - the God who created all things. I believe that God exists as three distinct persons, the Father, the Son, and the Holy Spirit. I believe in one God and that I belong to Him in life and in death. I believe that in grace, God has given His son Jesus Christ, fully human and fully God, to redeem mankind; I accept Jesus as Lord of my life. I believe God is just and merciful. He has called me to be His. I believe and trust in Jesus Christ and share in His ministry to teach, bless, heal, bind-up the brokenhearted and preach release to the captive. My personal faith is made effective through the Holy Spirit, the third person in the

Godhead, working in my life as I believe and trust in God. His Spirit justifies me by grace through faith and sets me free to accept myself and to love God and my neighbor.

**Occupation:** Pastor

**Age:** 30 years of age or older

**Race and Ethnic Origin:** Caucasian

**Areas of leadership and interest-congregation:** I have special interests in youth ministry, care of creation and social justice.

**Areas of leadership and interest-community:** I have special interests in youth ministry, care of creation and social justice.

**Reason I wish to serve:** I wish to serve in this area of ministry within the synod because just as it takes a village to raise a child, it takes a village to raise leaders in Christ's church. It is important for rostered and lay leaders to have support from the synod which enhances and enables the ministry of individual congregations. The Ministry Support Committee works on providing continuing educational resources, resources for congregational councils which can help with decision making regarding the best way to care for their pastor(s), education and support for first call pastors who are usually in a completely new context with few already developed support systems, and an effective process for those wishing to take steps toward rostered leadership.

**My priorities for this ministry:** Being a first call pastor and fairly new to the synod, my priorities for this ministry would be to listen, learn, and support the other leaders until I have a greater sense of the work that is already in progress.

**Your faith statement:** God the Father, Son, and Holy Spirit is the creator of all and giver of life. God's work in this world is work of forgiveness, reconciliation, and restoration embodied in love. As recipients of God's gifts, we are being transformed and are thus free to serve too.

**15B - The Rev. Lu Cantrell - Peace, Morris - East Conference**

**Occupation:** Pastor

**Age:** 30 years of age or older

**Reason I wish to serve:** To assist both professional and lay leaders by providing encouragement, support, and resources in their calling in the church.

**My priorities for this ministry:** To work with the members of the team to assist leaders in whatever way I can.

**Faith statement:** Two of my favorite scriptures make up my faith statement: Ephesians 2:8-10 that tells me I am saved only by grace, nothing I can do. Yet, because of that grace, I am created by God to do good works. Philippians 2: 4-8 describes Jesus as the ultimate servant. I believe there is no higher calling than to be an obedient and humble servant of Christ and Christ's Church.

## Outreach Committee

#### 16A - Ms. Amanda Schanze - First, Prophetstown - Central Conference

**Occupation:** Youth and Family Ministry Director at First Lutheran, Prophetstown

**Age:** 30 years of age or older

**Race and Ethnic Origin:** Caucasian

**Areas of leadership and interest-community:** I led a Leo club at the local high school for several years. I will help at the school's day of service this spring. I support the kids in sports and music when I can.

**Reason I wish to serve:** I feel outreach is what I am called to do! I can obviously show love to my immediate family and church family, but I think I've been called to share God's love with everyone I meet, whether that is specifically saying "Jesus Loves You," or simply serving others quietly in God's name.

**My priorities for this ministry:** I think congregational vitality is very important, and I hope to help those in our synod, and maybe beyond, understand what it is to serve in Christ's name. I also believe ecumenical ministry is very important, especially now when there is so much division between even Christian denominations.

**Faith statement:** I believe. I believe in God who has given us the freedom to love others. I believe in Jesus who has taught us how to love others. I believe in the Holy Spirit who gives us the tools and opportunities to love others. I believe.

**Vote for 1 (3-year term)**

19A - The Rev. Bill Dahlberg

19B - The Rev. Frank Langholf

**19A - The Rev. Bill Dahlberg - Salem, Rockford - North Conference**

**Occupation:** Pastor

**Age:** 30 years of age or older

**Race and Ethnic Origin:** Caucasian

**Areas of leadership and interest-congregation:** I have always felt that my call to be a Pastor was a call to both the congregation and the community outside the walls of the church building. Within the congregation, the outreach committee has always been a very active committee, and I try to participate in as many of their activities and programs as possible. I have also encouraged the congregations that I have served to find as many ways as possible to work with and volunteer with organizations that serve others in the community.

**Areas of leadership and interest-community:** Being a Pastor to the community has been important to me, and over the years I have served on several boards as well as preaching at community services and events whenever I am invited.

**Reason I wish to serve:** As a Pastor, the issue of outreach is constantly on my mind. How do we live out our mission in the world? How do we share the message we have been given with all those we can, near and far? Today especially, it is exciting to find new and creative ways to serve the people and communities in which we have been planted. Serving on the Outreach Committee will be a great opportunity to learn from others as well as share the experiences I have had in the communities where I have been privileged to serve, rural as well as urban/inner city.

**My priorities for this ministry:** I look forward to the possibilities that serving on this committee will bring. In particular I am interested in working with congregational redevelopment, evangelism, and helping congregations become more engaged in their communities.

**Faith statement:** One of my favorite stories in the Bible is the "Parable of the Good Samaritan" because it beautifully and boldly illustrates who our neighbor is and what it means to be a

neighbor. Each and every day, God calls us beyond ourselves and beyond our congregations and beyond our preconceived notions of others. Because we are each made in God's image, and because of God's love and grace for us, we can't help but show those same things to others.

### **19B - The Rev. Frank Langholf - Trinity, Galesburg - Southwest Conference**

**Occupation:** Pastor

**Age:** 30 years of age or older

**Race and Ethnic Origin:** Caucasian

**Areas of leadership and interest-congregation:** I serve as the Senior Pastor at Trinity. I have served in varied settings from small open-country congregation to mid-size congregations, and as an associate, solo, and senior pastor. I have twin passions of spirituality and engaging the community with the love of God and seek to lead the congregations in these twin passions.

**Areas of leadership and interest-community:** I am currently active in organizations that advocate and support diversity in our community with a focus on interfaith and ecumenical. I am member of the United against Hate group with leadership of its Public School Engagement Team. I work with the local high school's Gay-Straight Alliance to provide safe spaces for youth who are LGBTQ+. I have been involved in a number of community groups that focus on youth and young adults in the communities.

**Reason I wish to serve:** I am interested in continuing to serve on the Outreach Committee because I think it is essential to find creative, effective ways to help congregations to share the good news of God's love in their communities. I believe we need to move beyond programs which focus on inviting people to come to church; come to us and begin to do two things. One, go to where people are in order to build relationships with them - "being with," not "doing for." Two, find ways to help our members to experience and express God's love in words as well as work.

**My priorities for this ministry:** Empower congregations to be who they are and use what they already have to connect with people. Established new and creative ways to engage people in caring for others in their communities so that relationships are built in which the good news can be shared. Support those congregations and ministries which are seeking to live into the new reality of a world where one cannot assume that people already know the gospel or church.

**Faith statement:** Rooted and grounded in the grace of God revealed in Christ I am empowered by the Spirit to be who I am called to be and to do the work the I am called to do. In the end what matters most is faith active in love.

**My priorities for this ministry:** If elected to this ministry, I will be guided by my statement of faith (see below).

**Faith statement:** I am a "dyed-in-the-wool" Lutheran by birth, training, and lifelong commitment and involvement. My faith position can be summarized by Eph. 2:8-10: "For by grace you have been saved through faith, and that is not your own doing; it is the gift of God—not the result of works, so that no one can boast. For we are what he has made us, created in Christ Jesus for good works, which God prepared beforehand to be our way of life." I believe in the Triune God (as difficult as it is to grasp and attempt to explain that concept): in a Father who so loved a fallen humanity that he was willing to offer his only and beloved Son to suffer, die, and rise again in order to atone for our sins and sinfulness that have separated us from this loving and creating God. The Holy Spirit works through the means of grace (God's Word and the Sacraments of Holy Baptism and the Lord's Supper) to bring this message of love to me and all believers, convicting us of our sin (Law) and convincing us of his acceptance and forgiveness (Gospel). Consequently, I, and all who have been saved by his loving action, are called upon to love and serve others, both within the Christian fellowship and in the world around us, so that everyone can come to know this loving and gracious God who would have all humanity know the peace that only he can bring.

25B - The Rev. Elizabeth Martin

### **25A - The Rev. Jill Flynn - Gloria Dei, Rockford - North Conference**

**Occupation:** pastor

**Age:** 30 years of age or older

**Race and Ethnic Origin:** Caucasian

**Areas of leadership and interest-congregation:** I served as an intentional interim pastor for ten years and so have experience in working with congregations in transition and conflict. I came to my present congregation as part of the revitalization process which was a bumpy road at times. I have taken the Mennonite Peace Center course in Conflict Mediation. My passion is Christian education and worship leadership.

**Areas of leadership and interest-community:** In Rockford I participate in Interfaith Women's Fellowship, the Mayor's Clergy Conference, Clergy Leading Congregations, and Rockford Urban Ministries, to name a few. I seek and encourage opportunities for me and my congregations to participate in and support local ministries such as Laundry Love, Shelter Care, Rockhouse Kids, Rockford Area Lutherans, Emmanuel Food Pantry, Jericho House, Jubilee Center, and Carpenter's Place. Also supporting the new Family Justice Center for victims of domestic violence which is in the planning stages.

**Reason I wish to serve:** I have seen that conflicts in congregations lead to heartbreak for all concerned. I would like to listen to and encourage dialogue and mediation with pastors and congregations before situations and challenges become a blame game.

**My priorities for this ministry:** To be aware of congregations and pastors who would benefit from this committee's support, to reduce the number of unhappy situations for pastors and their congregations through communication and conversation, and to ensure smooth transitions with a minimum of pain when that is the only option.

**Faith statement:** I believe that the salvation of the whole world is found in the teachings of Christ. As a community in Christ we bring those teachings to life in what we say and do, and all of us have gifts to use in this ministry.

**25B - The Rev. Elizabeth Martin - Trinity, Harvard - Northeast Conference**

**Occupation:** Pastor

**Age:** 30 years of age or older

**Race and Ethnic Origin:** Caucasian

**Areas of leadership and interest-congregation:** As a kid I felt like church was a second home because of the many ways my parents were involved. Before becoming a pastor, I was in a lay church staff position and an Associate in Ministry. I have been responsible for many areas of ministry including: small groups, Sunday school, VBS, pastoral care, lay preaching, and the Faith Stepping Stones program.

After my first unit of Clinical Pastoral Education I realized that pastoral care was a passion in ministry for me and I took a second unit. Whether I am speaking with someone struggling with personal issues, celebrating the birth of a child, or at the bedside of the dying, I find this all to be holy ground.

While attending seminary part-time I was called to be the servant leader of a Synodically Authorized Worshiping Community, given the privilege of word and sacrament ministry.

Those two years were exciting and challenging as we worked together in a missional setting.

Over the past two years, our congregation has engaged in a visioning for mission process that has helped us identify the ways that God is calling Trinity to share the good news in Harvard and beyond. Our emphasis is to build deeper relationships with God, each other, and in our community.

**Areas of leadership and interest-community:** I enjoy working with an ecumenical program that serves low income families in our community with clothing and gifts for children at Christmas. In the past I have volunteered as an overnight chaplain at Mercy Rockford Hospital. Working and planning with other pastors and lay leaders in our conference on two overnight events for 6th-8th grade youth has been a great way to bring our kids together and share resources.

**Reason I wish to serve:** Even though this committee is rarely convened, I do not take the work this committee does lightly, as I imagine it can be hard and intense. I believe that I am a good listening presence which will be important for a congregation involved in conflict. I also work to hear the underlying message - or to read between the lines. My intention as part of this committee would be to address these situations with grace, understanding, and hold those involved accountable.

**My priorities for this ministry:** I would defer to the process that is set forward for the work of this committee by the bishop's office. My understanding is that this committee only meets when convened by the bishop. My priority would be to act in the ways that I previously described.

**Faith statement:** The love of God meets a broken world in the life, death, and resurrection of Jesus Christ, healing and redeeming us, and by the work of the Holy Spirit gives us the faith to trust God's love, calling and equipping us to participate in it.

**Race and Ethnic Origin:** Caucasian

**Areas of leadership and interest-congregation:** Before entering seminary and being called as a Minister of Word and Sacrament, I served on various committees on the parish level including church council, mission and outreach, and visioning teams.

**Areas of leadership and interest-community:** Before entering seminary, I received a Master of Science degree in Social Work from the University of Tennessee, focusing on individual therapeutic interventions and group therapies. I also hold a graduate certification in trauma, specifically working with young people.

**Reason I wish to serve:** I believe that God calls us to live in community and to support one another. I will pray daily that the services of the consultation committee are not needed. However, if called upon, I hope to meet the individuals involved with compassion and understanding, as well as consult appropriately and honestly for the health of the Body of Christ

**My priorities for this ministry:**

- + That individuals feel heard within a safe and compassionate process.
- + That the whole community is set upon a path of healing and, when possible, reconciliation.

**Faith statement:** I believe in God the creator, who loves all of creation. I believe in Jesus Christ who came not to judge the world but to save it. I believe in the Holy Spirit who continues to inspire and lead us. I believe in the Church as an imperfect vehicle of God's perfect grace.

**Areas of leadership and interest-congregation:** I am currently serving on the finance committee and look forward to sharing my gifts on a long-range planning task force at Faith, Rochelle. In the past I have served as congregation president, treasurer, vice president, church council member, stewardship committee member, and parish planning member.

**Areas of leadership and interest-community:** I am a current board member of The Rochelle Park District and NAMI Sauk Area. I previously served as the Northern Illinois Synod Treasurer from 2007-2011, and I was happy to serve on the Northern Illinois Synod Council from 2000-2003 while also serving on the executive committee in 2003. I am currently working at Central Bank IL where I have been employed for over 39 years. I have been a Certified Financial Planner professional since 1993. I am also a member of the Rochelle Rotary Club and have served as a board member of LOMC, United Way, Rochelle Community Hospital, and Greater Rochelle Economic Development Company.

**Reason I wish to serve:** I have enjoyed working with the leadership of the synod and have a special place in my heart for those called to rostered ministry. I have learned a lot about the workings of the synod and hope to share my gifts and humbly serve to the best of my ability.

**My priorities for this ministry:** My priority will be to serve in this position, if asked, with integrity and to the best of my ability.

**Faith statement:** I have been richly blessed by God and in gratitude I sense a calling to share my gifts with passion and enthusiasm with God's help and guidance.

**Occupation:** Pastor

**Age:** 30 years of age or older

**Race and Ethnic Origin:** Caucasian

**Areas of leadership and interest-congregation:** The day to day business of church work is never dull and I enjoy the many aspects of working in a church. ## **MINISTER OF WORD AND SACRAMENT MALE Nominees for Discipline Committee Vote for 1 (6-year term)**

30A - The Rev. Jacob Gawlik

30B - NO NOMINEE

### **30A - The Rev. Jacob Gawlik - St. John's, Sterling - Central Conference**

**Occupation:** Pastor

**Age:** 30 years of age or older

**Race and Ethnic Origin:** Caucasian

**Areas of leadership and interest-congregation:** Social Justice; Community Outreach; Theological Interpretation; Liturgical Theology

**Areas of leadership and interest-community:** I've worked with the SEE Justice Coalition in the Sterling-Rock Falls Community and I'm actively participating with a group of community leaders and pastors who are actively exploring topics of Racism and Privilege. I am also a mentor at the Sterling High School.

**Reason I wish to serve:** Often persons listen to provide a response. My hope is to listen to understand. When issues of disciplinary action are needed, I feel listening to understand is especially important.

**My priorities for this ministry:** To listen deeply for clarity and understanding of issues that arise that require disciplinary action. To work toward meaningful and faithful resolution. To faithfully keep Matthew 18:15-19. And to follow the guidance set forth in Chapter 20 of the Constitution, Bylaws, and Continuing Resolutions of the Evangelical Lutheran Church in America.

**Faith statement:** In the Constitutions, Bylaws, And Continuing Resolutions of the Evangelical Lutheran Church in America a very important responsibility arises in 7.31.02.8. In the same wording it appears again in the Constitution for Synods in S14.12.8. And then again in the Model Constitution for Congregations in C9.03.8. The responsibility is that every minister of Word and Sacrament shall "speak publicly to the world in solidarity with the poor and oppressed, calling for justice and proclaiming God's love for the world." This is risky business and terra incognita all rolled into one. As ordained ministers, persons who have been set apart for the ministry of Word and Sacrament, we have been charged to act as the voice of God's love for the world. Not just some parts, not just some people, but the whole world.
